

# Accessing all resources as a new intern

## Access wiki

This information might be helpful if this is your first time logging in to the wiki in order to access restricted information.

### Step-by-step guide

1. Navigate to [wiki.cyb.no](https://wiki.cyb.no)
2. Click "log in" in the upper right corner
3. Enter your UiO username
4. Enter your UiO password
5. Go to #it on slack and give us your UiO username, and say that you want access to the intern wiki **OR** send an email to [x@cyb.no](mailto:x@cyb.no) with the same information.

 You don't have to notify #it or [x@cyb.no](mailto:x@cyb.no) if you already have a user and access to "Internwiki" (you can check if "Internwiki" exists when pressing the arrow on the right side of "CYB" in the top left corner)
